CARING FOR YOU & YOUR SMILE

## Late Cancellation and Failed Appointment Policy.

If you want to cancel or change your appointment with us, please give us at least 24 hours' notice, if this isn't possible, charges may apply, and this is at the dentist's discretion.

If you fail to attend any appointments, 50% of the cost for the failed appointment will be taken, and added to your treatment invoice.

This fee must be paid before any future appointments can be made.
